

LED Laser Tail Light

29001

Love is a light!

AP TAIL-A (Item No.29001)

Specification

Electronic	3 Highlight Red LED 2 Laser Launcher PCB controller
Laser security Level	Class IIIA
Laser Power	≤5m W Electrical life about 8000h.
Rated Voltage	3V DC
IP Rating	IPX2
For seat post	Φ20mm~36mm
Working temperature	-5℃~40℃
Working humidity	0%~90%
Material	ABS,PP,PET,etc.
Packing Size	11.5*7.5*4.5cm
Weight	70 g
Certification	CE, RoHS Approved
Warranty	6 months

Features
